OUR ROOMS

Our 83 rooms and suites offer an ideal cocoon to recharge your batteries. Spacious, bathed in light, combining history and modernity, the refined decoration in natural tones will invite you to rest and relax.

With their view on Paris and the Eiffel Tower, the Deluxe rooms overlook the garden of the domain and the park Saint Jean-Paul II, while our rooms with balcony will make you live a privileged moment with nature.

MARGUERITE 1606

Your host Marguerite offers you a gourmet and seasonal French cuisine. Her Sunday recipes, dishes to share and creative vegetarian dishes will plunge you into the countryside for a meal.

The domain has two summer terraces, perfect for enjoying the summer and the view of the Eiffel Tower in the heart of a century-old garden.

LE REFUGE DE MARGOT

The ultimate place to relax, the spa of the Domaine is located in front of the garden. It offers three massage cabins, a sauna, a steam room, a heated swimming pool and a fitness area where yoga classes are held.

We offer Anne Semonin and Le Rouge Français tailor-made treatments combining different techniques to drain, detoxify, relax and boost energy.
